McCormick, SC 29835

February, 2024

Dear Parishioners and Friends:

The Diocese of Charleston will soon begin the 2024 Catholic appeal of South Carolina, whose mission is to support its charitable outreach and education programs across the entire state.

The statewide goal of the appeal is \$5,000,000 and the goal for Good Shepherd Parish is \$17, 298.00. In 2023, because of your generous support, we exceeded our goal by \$7,200.00, half of which will be returned to Good Shepherd for our use. Bishop Febre-Jeune took note of what we accomplished last year in a letter congratulating our parish family for its generosity and devotion to serving those most in need in South Carolina.

Early in February, each registered household in the Parish will receive a letter from the Bishop encouraging support for the 2024 Catholic Appeal. His message will include information identifying the programs that your donations support, along with an envelope for making a one-time gift or pledge payable over ten months.

I am confident that you will respond generously to the Catholic Appeal again this year. Thank you for all that you do to support Good Shepherd Parish and Diocesan Ministries programs, and may God continue to bless you and your loved ones.

Yours in Christ,

Father Jacob Joseph, CMI
Pastor
